Machen's 80th Show

We would like to welcome you to Machen Agricultural Society's 80th Show and we look forward to seeing you all at this milestone event. We consider ourselves very lucky to still be running 80 years on, as many smaller shows, like ours, are no longer going ahead.

Our first show, a local Gymkhana in 1941, was initially set up to raise funds to supply comforts, such as hand knitted gloves and balaclavas for our troops in World War II. Since then, we have come a long way! The show has grown not only in size, but also in reputation. This has been due to the efforts of the committee and the many friends and helpers who are in evidence around the time of the show. However, perhaps most important of all is the support which we receive from the general public, both on the day and at the various fund-raising events during the year. That first show took place on the 'Rec' in Machen, but as the years passed the show grew too large and in the '60s moved to Plas Machen Farm and then onto Mill Farm in 1977, where we are today.

Attractions to look out for this year; our goat tent hosting the 2023 National Goat Show, our rabbit tent returning after some time away, our Homecraft tent, our wonderful 1940's Tea Dance tent, our outstanding collection of Vintage vehicles and machinery.. And much more!

Again, we thank you for your support over the years, please enjoy the show and we look forward to welcoming you in future years.to come.
