How We Began

Since 1941 Machen Show has been an annual event within the community.

Started by the late Henry John and Bailey Jones, who's family are still involved with the show, Machen Show began as a gymkhana and horse show to raise funds for the Home Service Comforts Fund, a charity which helped troops serving abroad.

Now attracting over 3000 people each year, Machen Show has continued to be a much loved event in the local calendar.
